Subject: Follow-up from our Red Hill Meeting

Steve and Stuart,

Sort of a blur thinking about the meeting last Thursday. Time to move on! A couple follow up items from our Red Hill meeting. Steve, can you turn the powerpoint presentation (without our notes) into a pdf file so we can post it to the web site? Stuart, I'm going to prepare an extension request response for Erwin to come from you and me. I think we discussed this when we were there and thought we should extend it to July 15. Two days short of his request, but easier to remember. I will sign the letter and send it to you for signature. Last, can someone there update the Red Hill email list from addresses we got on Thursday so we can inform people of the extension?

We will talk soon. Thanks, Tom
